Our turnkey homes will come jam-packed with value compared to our competitors;

- Frame & Truss System made with TRUECORE? Steel - rather than timber frame
- Landscaping inc turf to front & rear - rather than just landscaping to front yard
- Fencing, driveway & letter box rather than 'just a letterbox'
- Reverse cycle ducted air conditioning
- 600 x 600 ceramic floor tiles to main floor areas. Carpet to remainder.
- Downlights throughout rather than a 'downlight allowance'
